K-8th	\$500

2019-2020 ANNUAL Tuition

Transitional Kindergarten:	\$8,700
Kindergarten-5th Grades:	\$10,530
6th-8th Grades:	\$11,430

Tuition Payment: Tuition payments are made through Smart Tuition. Other payment methods may be arranged with the business office. Tuition may be paid in:

- One (1) payment during the month of July,
- Two (2) equal payments one in July and one in December or,
- Eleven (11) equal payments automatically withdrawn on the 5th or 20th day of each month beginning in July and continuing through June with no tuition payment in January.

Tuition Refund Policy:

MCS wants to emphasize that MCS operating expenses do not diminish upon the departure of a student during the course of the school year. MCS also trusts that with the \$500 re-enrollment fee, parents are making a firm commitment for the entire school year. MCS makes yearlong commitments to staff and other contracts based, in large part, on re-enrollment numbers. In the event of a withdrawal, MCS requires full tuition through the student's final enrollment day at MCS (calculated on a daily basis). Then, to partially compensate for the loss of tuition, MCS also requires a payment of 10% of the tuition for the remaining days the student would have been in school had he/she completed the year. *To avoid the 10% penalty, written notice of withdrawal needs to be received by MCS by May 1, 2019 (prior to staff contract renewals).*

Family Facility Fee (non-refundable): \$1,800

Families who are enrolling their children for the first time in TK-8th Grade will be assessed a one-time facility fee of \$1,800 per family. There is a prorated fee for Middle School grades. This fee is used for ongoing maintenance of the building and grounds and is due during the first year at MCS. Arrangements may be made to pay the fee in installments.

Activity Fee (*fee amount published during the summer of 2019*):

The student activity fee includes the cost for yearbook, emergency provisions, classroom activities, MCS events, T-shirt, miscellaneous materials, and grade-level field trips. The cost for overnight field trips in fourth, sixth, and eighth grade will be collected separately from this fee by MCS or the field trip tour company.

Incidental Fees: These include: Student Activity Fee, Athletics, Performing Arts, Family Fee, Tech Fee, and other fees.
